

MEDICAL PLACEMENTS

OSMECON 2019

Did you ever know that approximately 80% of healthcare organizations today are facing the problem of finding good medical resource for their medical setup!

Introducing 3SG Medical Placements:

3SG Medical Placements has been in the business of recruitment since 14 years and providing the best recruitment and headhunting solutions for medical professionals.

Our Journey:

We have emerged as a most reputed recruitment company in a very short spell with a vast database of doctors covering all the specialties. We have recruited thousands of clinical and non-clinical candidates who are undergraduates, PG's and super PG's from various parts of the country.

Our Approach:

We adopt a unique system of searching, screening and finally deploying doctors to our esteemed clients all over India. In this regard, we have been applauded and appreciated by the medical fraternity for our services rendered. 'We bring forth the highest standards in healthcare staffing'.

We take pride in having dedicated and knowledgeable career consultants on-board, who are keen in helping doctors in every step of the recruitment process.
